## INFORMATION ALERT:

### PUBLICATION OF THE DRAFT INTEGRATED RESOURCE PLAN (IRP2010) FOR ELECTRICITY

The draft IRP2010 was published by the Department of Energy (DoE) on 8 October 2010 for public comment.

The IRP2010 is a 20 year electricity plan which aims at providing an indication of the country's electricity demand, how this demand will be supplied and what the cost will be. The IRP2010 will provide a key input into plans regarding the overall energy needs for the country and wider infrastructure plans.

The following documents are available on the DoE website: <http://www.doe-irp.co.za/>

1. The Draft IRP2010;
2. The Executive Summary to the Draft IRP2010;
3. The Medium Term Risk Mitigation Plan (developed to address the short to medium term risks of the current electricity supply shortage);
4. A prescribed questionnaire template to be used to submit comments

Comments should be submitted to Ms Angelique Killan by email: [irp2010@mweb.co.za](mailto:irp2010@mweb.co.za) by close of business on 10 November 2010 (30 day period which commenced on 8 October 2010).

Public hearing on the Draft IRP2010 will be held in the first week of November 2010.
